

JOB ID: ESLCE2001

Civil Engineer

East St. Louis, IL

Hurst-Rosche has an opportunity for a **Civil Engineer** based out of our **East St. Louis** office. We are an integrated design firm that unites a dynamic team of architects, engineers, surveyors, and industry specialists driven to help solve our clients' greatest challenges. Position duties will include:

- Perform municipal, site design, and hydraulic designs.
- Familiarity with IDOT Design Policy Manuals, IDOT submittals and permitting requirements.

Qualified candidates must have a Bachelor in Civil Engineering. Minimum of 3 years of related experience and a Professional Engineer License are required. Familiarity with AutoCAD, MicroStation, OpenRoads, Civil3D, or similar platforms preferred. Excellent written & verbal communication skills are essential. Projects frequently require physical inspection of site and may be done independently.

Hurst-Rosche recognizes the value of diversity in our workforce. We are committed to equal opportunity. We consider all qualified employment applicants without regard to race, religion, color, gender, age, national origin, sexual orientation, gender identity, partnership status, protected veteran status, disability, or any other status protected by federal, state, or local law.
