

JOB ID: ESLSUR1901

Survey Crew Chief

East St. Louis, IL

Hurst-Rosche has an opportunity for a Survey Crew Chief based out of our East St. Louis office. We are an integrated design firm that unites a diverse team of architects, engineers, surveyors, and industry specialists driven to help solve our clients' greatest challenges. The position duties will include:

- Perform a wide range of field surveying activities such as boundary, ALTA, IDOT, municipal, topographical, construction, geodetic, etc. utilizing robotic total stations and GPS at a variety of sites and field conditions
- Perform survey, parcel, right of way and easement record research at a variety of public and private facilities
- Perform survey calculations, write legal descriptions, prepare staking files, perform volume calculations, create and check plats and plans
- Provide professional coordination related to field survey personnel and office staff to support survey work requests and comply with Office and Project Managers

Qualified candidates must have a minimum of 4 years of related experience. Familiarity with AutoCAD, Civil 3D, Microstation, Trimble Robotic Total Stations and GPS units preferred. Excellent written & verbal communication skills are essential. Position requires field work in a wide variety of site terrain and weather conditions.

Hurst-Rosche recognizes the value of diversity in our workforce. We are committed to equal opportunity. We consider all qualified employment applicants without regard to race, religion, color, gender, age, national origin, sexual orientation, gender identity, partnership status, protected veteran status, disability, or any other status protected by federal, state, or local law.
