

JOB ID: ESLET2001

Engineering Technician

East St. Louis, IL/ San Marcos, TX

Hurst-Rosche has an opportunity for an **Engineering Technician** for work in the San Marcos, TX area. We are an 83-year-old integrated design firm that unites a dynamic team of architects, engineers, surveyors, and industry specialists driven to help solve our clients' greatest challenges.

Position duties will include construction testing of soils, aggregate, bituminous and concrete materials.

Qualified candidates must have 2 years construction testing experience or formal training, particularly in soils and roadway. Excellent written and verbal communication skills are essential as daily reporting and testing summaries are part of this position duties. Project requires daily physical inspection of site.

Hurst-Rosche recognizes the value of diversity in our workforce. We are committed to equal opportunity. We consider all qualified employment applicants without regard to race, religion, color, gender, age, national origin, sexual orientation, gender identity, partnership status, protected veteran status, disability, or any other status protected by federal, state, or local law.
