

Drill Rig Operator

Hillsboro, IL

Hurst-Rosche has an exciting opportunity for a Drill Rig Operator based in our Hillsboro, IL office. We are an integrated design firm that unites a dynamic team of architects, engineers, surveyors, and industry specialists driven to help solve our clients' greatest challenges. Duties will include:

- Mobilize drilling equipment including truck mounted drill rig.
- Perform geotechnical and environmental drilling methods.
- Install observation wells.
- Maintain data for projects such as boring logs & diagrams.
- Manage and organize drilling crew including on-site safety.
- Attend utility meets to verify boring locations.

Qualified candidates must have a minimum of 2-years' experience with a minimum of 1-year operating drilling equipment in the geotechnical, environmental, water well, geothermal, horizontal directional drill, or geo-construction industries. Candidates must have a valid driver's license with acceptable violation history. Candidates must be able to lift 50lbs.

Additional Skills Desired:

- OSHA 10-Hour and 30-Hour Certification
- 40-Hour HAZWOPPER Certification
- Class-A CDL
