

# Project/Design Architect

Marion, IL

Hurst-Rosche has an opportunity for a project/design Architect based out of our **Marion** office. We are an integrated design firm that unites a dynamic team of architects, engineers, surveyors, and industry specialists driven to help solve our clients' greatest challenges. Our primary market sector is with local, state and federal clients. Position duties will include:

- Perform preliminary investigations, studies, conceptual designs, planning, and presentations for a wide variety of public/governmental building types and facilities.
- Work within project teams of professionals in the project development and delivery process. Activities will include significant client interface and coordination with governing agencies and stakeholders.
- Prepare and/or lead the preparation of Revit and CAD production drawings from schematic to construction design phases with the support of dedicated technical staff as needed. Coordinate and integrate investment of subject matter experts when engaged.
- Prepare and edit specifications relating to existing or new projects.
- Contact with some select clientele to ensure highest level of service is obtained and delivered.
- Prepare and present to various groups regarding public engagement, design charrettes, and project team meetings.
- Prepare and edit cost estimates relating to existing or new projects.

Qualified candidates must have 5-10 years experience, a minimum of a Master of Architecture or a First Professional Degree and must be, or currently eligible to be, a Licensed Professional Architect in at least one State in the US. NCARB certification is seen as a strong plus.

Familiarity with Revit, Sketchup, and similar platforms preferred. Excellent written & verbal communication skills are essential. Area of work is public sector, (DoD, recreational, education, multi-family, governmental, and health care). Projects frequently require on-site inspections throughout project site and may be required to be done independently.

Hurst-Rosche offers a dynamic, collaborative and rewarding environment while providing the flexibility to balance your personal and professional life. We offer a competitive salary and benefits package, matching 401k, affordable health, dental, and vision coverage, paid life insurance and short-term disability coverage.

Hurst-Rosche recognizes the value of diversity in our workforce. We are committed to equal opportunity. We consider all qualified employment applicants without regard to race, religion, color, gender, age, national origin, sexual orientation, gender identity, partnership status, protected veteran status, disability, or any other status protected by federal, state, or local law.
