

JOB ID: HMSCAD2201

MicroStation CAD Technician

Hillsboro, IL

Hurst-Rosche has an opportunity for a **MicroStation CAD Technician** based out of our **Hillsboro, IL** office. We are an integrated design firm that unites a dynamic team of architects, engineers, surveyors, and industry specialists driven to help solve our clients' greatest challenges.

In this role, you will work with Transportation and Structural Engineers for topographic survey processing, design layout, design modeling and drawing preparation.

Specific Requirements include:

- 4+ years of Transportation and Structural drafting / design experience
- Experience with MicroStation and Geopak
- Knowledge of Civil/Survey processes
- Proficiency and established experience with SS4 OpenRoads, preferred
- DOT and / or Tollway Project experience, preferred
- Experience with AutoCAD, a plus
- Technical / Associates Degree or Certification, a plus

Hurst-Rosche offers a dynamic, collaborative and rewarding environment while providing the flexibility to balance your personal and professional life. We offer a competitive salary and benefits package, bonus plan, matching 401k, affordable health, dental, and vision coverage, paid life insurance and short-term disability coverage.

Hurst-Rosche recognizes the value of diversity in our workforce. We are committed to equal opportunity. We consider all qualified employment applicants without regard to race, religion, color, gender, age, national origin, sexual orientation, gender identity, partnership status, protected veteran status, disability, or any other status protected by federal, state, or local law.
