

ICT Engineer

Nashville, TN

Hurst-Rosche has an exciting opportunity for an ICT Engineer based in our **Nashville** office. We are an integrated design firm that unites a dynamic team of architects, engineers, surveyors, and industry specialists driven to help solve our clients' greatest challenges. Duties will include:

- **Design of voice/data-CU/FO & OSP cable plants; electronic safety & security; audio & video technologies; Network Design; TIA/BICSI/NEC infrastructure and grounding; low voltage power distribution; etc., for education/higher education, healthcare, corrections, and governmental clients.**
- Read, interpret, and prepare production drawings of **structured cabling systems** from schematic to construction design phases **including cost and schedule estimating.**
- Prepare and edit specifications relating to existing or new projects.
- Participate or lead value engineering with architectural/engineering team.
- Review submittals and shop drawings for compliance of specifications and contract documents, respond to RFIs and Clarifications, provide on-site observation reporting, final inspection, and closeout documentation.

Qualified candidates must have a computer Science degree or related certifications and/or engineering degree as an ICT designer and/or installer.

Proficient in Revit/BIM and good working knowledge of AutoCAD. Minimum of 5 years of low voltage ICT design and/or installation experience as an ICT Designer, Low Voltage Designer, or Telecom Designer. Site visits frequently require physical inspection of site.

Additional qualifications include:

- Possess good organizational and communicational skills; be capable of understanding client's needs; prioritizing and coordinating work; making informed decisions; and executing quality work.
- Knowledge of BICSI/TIA industry standards, best practices, and codes related to ICT systems.

Hurst-Rosche offers a dynamic, collaborative and rewarding environment while providing the flexibility to balance your personal and professional life. We offer a competitive salary and benefits package, matching 401k, affordable health, dental, and vision coverage, paid life insurance and short-term disability coverage.

Hurst-Rosche recognizes the value of diversity in our workforce. We are committed to equal opportunity. We consider all qualified employment applicants without regard to race, religion, color, gender, age, national origin, sexual orientation, gender identity, partnership status, protected veteran status, disability, or any other status protected by federal, state, or local law.
