PROJECT MANAGER

St. Louis Metro Office

Hurst-Rosche has an opportunity for a **Project Manager** that holds an **Architect** or **Professional Engineer (PE)** license or a **Project Management Professional (PMP)** certification based out of our St. Louis/Metro East office. We are an integrated design firm that unites a dynamic team of architects, engineers, surveyors, and industry specialists driven to help solve our clients' greatest challenges. Position duties will include:

- Lead and coordinate a team of professionals and technical staff (both internal and external) in the successful delivery of projects. Projects could include either horizontal or vertical works for local, state, and federal clients.
- Duties will include team management, scheduling, controlling scope of work, communication with all stakeholders, and contract and client management, as well as budget control.
- Candidate must create and foster an environment that encourages teamwork and high-performance deliveries. Ability to engage lessons learned strategies, and monitor quality, budget, and schedule compliance.

Qualified candidates must be a registered (licensed) architect, professional engineer, or certified project management professional with a minimum of 5 years of related experience of this type of work leadership. Candidates without one of these credentials will not be considered. Familiarity with AutoCAD, RevIT, Excel, and other project related programs is required. Excellent written and verbal communication skills are essential and will be a significant factor in hiring. Projects frequently require physical inspections of site and may be required to be performed independently.

Hurst-Rosche offers a dynamic, collaborative and rewarding environment while providing the flexibility to balance your personal and professional life. We offer a competitive salary and benefits package, bonus plan, matching 401k, affordable health, dental, and vision coverage, paid life insurance and short-term disability coverage.

Hurst-Rosche recognizes the value of diversity in our workforce. We are committed to equal opportunity. We consider all qualified employment applicants without regard to race, religion, color, gender, age, national origin, sexual orientation, gender identity, partnership status, protected veteran status, disability, or any other status protected by federal, state, or local law.
