

JOB ID: SPE2201

Project Engineer

Springfield, IL

Hurst-Rosche has an immediate opportunity for a **Project Engineer** with a minimum of 7 years in civil design experience. Experience working with IDOT and other public agencies is a big plus. This position will be based out of our newly opened **Springfield, IL** office, which is positioned to expand. We are an integrated design firm that unites a dynamic team of architects, engineers, surveyors, and industry specialists, driven to help solve our client's greatest challenges. Position duties include:

- General civil engineering activities, as well as geotechnical or environmental related activities. Areas of work could include roadway design, site design, traffic signals, traffic studies, bicycle and pedestrian accommodations, pavement evaluations, large earthwork projects, and municipal utility projects.
- Lead the preparation of plan, specifications and estimates for a variety of projects.
- Perform planning and design of roadway and site development projects.
- Manage the technical staff assigned to projects and function as a technical/discipline lead on larger projects.
- Interact with clients/contractors on project sites Excellent written & verbal communication skills are essential

Qualified candidates must have a Bachelor's degree in Civil Engineering from an ABET accredited program. Professional Engineering Licensure in Illinois is required.

Experience with AutoCAD, MicroStation, Open Roads, Civil3D, or similar platforms preferred. Familiarity with Standards and Policies of USPS, IDOT, MoDOT, EPA and other Federal Agencies are a plus.

Hurst-Rosche offers a dynamic, collaborative and rewarding environment while providing the flexibility to balance your personal and professional life. We offer a competitive salary and benefits package, bonus plan, matching 401k, affordable health, dental, and vision coverage, paid life insurance and short-term disability coverage.

Hurst-Rosche recognizes the value of diversity in our workforce. We are committed to equal opportunity. We consider all qualified employment applicants without regard to race, religion, color, gender, age, national origin, sexual orientation, gender identity, partnership status, protected veteran status, disability, or any other status protected by federal, state, or local law.
