

JOB ID: MARSUR2101

Survey Field Technician

Marion, IL

Hurst-Rosche has an opportunity for a **Survey Field Technician** based out of our **Marion, IL** office. We are an integrated design firm that unites a dynamic team of engineers, architects, surveyors, and industry specialists driven to help solve our clients' greatest challenges.

Candidate will be expected to perform survey field technician tasks such as fieldwork, corner searches, staking, keeping field notes, and performing courthouse research. Must have experience with GPS, total stations and data collectors.

Two to four years of experience is preferred; skills required include professionalism, effective communication, organizational skills. Some travel may be required.

Key Skills:

- Complete land survey as prescribed by a Professional Licensed Surveyor
- The ability to understand and interpret data
- Client management/customer service skills
- Organization and time management skills
- Basic "office suite" computer skills
- Able to operate a motor vehicle with a valid license and clean Motor Vehicle Record
- Safety conscious
- Experience with GPS, total station and data collector
- Prior field work for land surveying
- Ability to efficiently provide clear and complete, legible and detailed sketch/field notes

Physical Requirements:

- Ability to carry survey equipment and supplies in remote, rural and urban surroundings
- Ability to lift equipment up to 50 lbs.
- Regularly walk, stand, crouch or stoop, frequently lift, carry, push, pull or otherwise move objects
- Walk over rough, uneven, or slippery surfaces
- Work in a variety of weather conditions with exposure to the elements
- Ability to travel up and down ladders

Hurst-Rosche recognizes the value of diversity in our workforce. We are committed to equal opportunity. We consider all qualified employment applicants without regard to race, religion, color, gender, age, national origin, sexual orientation, gender identity, partnership status, protected veteran status, disability, or any other status protected by federal, state, or local law.
