

JOB ID: HSUR2202

# Survey Technician

Hurst-Rosche has an opportunity for a Survey Technician based out of our Hillsboro, IL Office. We are an integrated consulting firm that unites a diverse team of professionals driven to help solve our clients' greatest challenges. The position duties will include:

- Perform a wide range of field surveying activities such as property, boundary, topographic and construction staking utilizing robotic total stations and GPS for data collection at a variety of sites and field conditions
- Perform the downloading, organization, and quality control of survey data and the subsequent preparation of drawing files and survey reports
- Perform survey and volume calculations, write legal descriptions, prepare staking files, and perform record and file research under the direction of a PLS
- Provide coordination of survey work requests and schedules

Survey field experience utilizing survey equipment and office software, with familiarity with Trimble robotic total stations and GPS units, AutoCAD, Civil 3D, and Microstation is beneficial. Excellent written and verbal communication skills are essential. An Associates Degree in technology or related field, Registered SIT are very desirable but not required.

Hurst-Rosche offers a dynamic, collaborative and rewarding environment while providing the flexibility to balance your personal and professional life. We offer a competitive salary and benefits package, bonus plan, matching 401k, affordable health, dental, and vision coverage, paid life insurance and short-term disability coverage
